Deep in My Heart, O Savior

Deep in my heart, O Savior, Your name and cross alone
Like stars, shine with Your favor, Your joy is now my own.
May I this image treasure when troubles test my faith;
Your love, beyond all measure; Your life, poured out in death.

Valet will ich dir Geben setting by Bach

O Lord, Your Loving Angel Send

O Lord, Your loving angel send to bear me home, when life shall end, held close in Abraham's keeping.
My body, slumbering in its place, safe from all pain, shall rest in peace 'til morn that ends all sleeping.
That day from death awaken me; let my own eyes Your glory see;
My joy, my all, God's only Son, Redeemer living Grace enthroned!
Lord Jesus Christ! Oh, hear my plea, or hear my plea to sing Your praise eternally!

Herzlich lieb hab ich dich settings by Karg-Elert, Sam Eatherton
